## Seeing God in all people

### Mother's Day

On Sunday, May 8<sup>th</sup> we celebrate Mother's Day. This special day has a fascinating history. Festivals to honor of the mother goddesses Rhea and Cybele were held by ancient Greeks and Romans. The Christian festival known as "Mothering Sunday" is the closest to what we celebrate in modern times. It was a Middle Ages event to honor one's Mother Church, where one was baptized. Over time, this shifted to a more secular celebration.

"The official Mother's Day holiday arose in the 1900s because of the efforts of Anna Jarvis, daughter of Ann Reeves Jarvis. Following her mother's 1905 death, Anna Jarvis conceived of Mother's Day as a way of honoring the sacrifices mothers made for their children. Although Anna was childless and never married, she was determined to make Mother's Day an official holiday.

After gaining financial backing from a Philadelphia department store owner named John Wanamaker, in May 1908 she organized the first official Mother's Day celebration at a Methodist church in Grafton, West Virginia. That same day also saw thousands of people attend a Mother's Day event at one of Wanamaker's retail stores in Philadelphia."

After 1920 Anna fought against the

commercialization of Mother's Day. Her idea was "a day of personal celebration between mothers and families involved wearing a white carnation as a badge and visiting one's mother or attending church services."

Honoring one's mother is a celebration of a most blessed relationship.

### Senior Warden's Report

Trinity has several ministries. If you wish to participate in one or more, please contact a member of the BC to facilitate.

Those that support worship include Acolytes/Crucifers, Altar Guild, Chalice Bearers, Music, Readers, and Ushers/Greeters.

For Outreach, consider participating in social media, Lunch on Noble (LON)/GPS Pantry, Blessing of the Animals, and collaboration with local churches.

### Junior Warden's Report

If you have walked through the Parish Hall recently, you may have noticed we have new thermostats. They are the same as the thermostat on the new unit in the church and are much easier to use. We are looking forward to beginning the plaster patching in the church in the coming weeks, so stay tuned.
